FOR IMMEDIATE RELEASE:

## **HAGER COMPANIES RECEIVES TWO 2023 WORKPLACE AWARDS**

ST. LOUIS (July 2023) - Hager Companies is pleased to announce being named as a St. Louis Post-Dispatch Top Workplace and a St. Louis Business Journal Best Places to Work recipient.

A leading US manufacturer of commercial and residential door hardware and access control systems, Hager is a multiple winner of the Post-Dispatch award, having been previously recognized in 2020 and 2022. This is Hager's first year of recognition by the Business Journal.

"I think Henry Ford said it best, 'If everyone is moving forward together, then success takes care of itself.' Hager Companies provides opportunities for career development in a fun atmosphere to ensure we are moving forward together." said Lisa Filkins, Senior Vice President Human Resources and Talent Development.

Hager's continued success is built on a strong culture and led by a talented team focused on providing quality door hardware solutions and exceptional service to the industry we serve.

"Companies often forget about the importance of their culture, and they suffer for it as you cannot deliver exceptional service from unhappy employees. Treat employees like they make a difference, and they will. At Hager, we accomplish this by treating our employees and our customers like family," shared President & COO Johnston Hager.
